WHO WE ARE

Ontario's Experts

Providing professional services since 1992, Leaps & Bounds is renowned for having the most experienced and qualified professionals, and licensed psychologists offering the highest quality of services and programs to individuals with Autism and other related special needs.

We provide the most productive and positive environment for the development of individuals with special needs by doing everything possible to bring our clients to their full potential, regardless of age.

Our programs target behavioural management, sensory processing techniques, auditory and visual skills, life and play skills, training, language and social communication, pre-academic and academic instruction, and gross and fine motor skills.

Personalized programs are developed for a variety of disorders, primarily:

- Aspergers
- Autism
- PDDNOS

We also develop programs for individuals with:

- Down Syndrome
- Attention Deficit Disorder
- Developmental Delays
- Tourettes Syndrome
- Learning Disabilities
- Brain Injury
